NEWSLETTER 1/2016

29 JANUARY 2016

Dear Parents and Friends of St Clare's

Welcome to the start of the 2016 school year.

I trust that you and your family had a wonderful break over the Christmas/New Year period and that you and your son or daughter are looking forward to a great year of learning.

It was exciting to welcome the returning Year 11 and 12 students and our Year 7 Cohort to St Clare's this morning. It was wonderful that a number of parents were able to be present to assist their young person transition to secondary school. We recognise that teaching is a team sport and that when the team of student, parents and teachers are supportive of each other, great learning takes place.

## Staffing

I have great pleasure in welcoming the following staff to positions at St Clare's:

**Laura Boere and Tara O'Sullivan** to the Mathematics Department and **Dale Clacherty** to the PDHPE Department. All three are permanent appointments to the St Clare's staff.

**Matthew Collier** [PDHPE], **Simon Little** [English] and **David Constantine** [Hospitality] join St Clare's for the 2016 school year.

We welcome back **Stacy Posadas and Paul Smyth** from leave, **Emma Gale** from maternity leave and wish them every success in 2016.

We also welcome **Anne Havard** to the Office Coordinator/Principal's Secretary Position. Anne joins us with significant experience in education administration having spent many years working with support staff and students at TAFE.

The recent resignation of Tanya Johnson means that we will be advertising a fulltime teaching position early in Term 1. I am very pleased to say that **Anne Larbalestier** has agreed to fill the Maths/Science position for the first four weeks of term.

**Jenny Watkins**, English and **Karina Hogan**, PDHPE will serve as Studies Coordinators for 2016.

**Karen McCann** will be VET Coordinator and **Ian Evans** will serve as St Clare's Careers Adviser for 2016.

**Tim Masters**, Year 7 and **Sam Bielby**, Year 8 commence as Year Level Coordinators. They join the team of **John Chapman**, Year 9, **Marian Parvin**, Year 10, **Karen McCann**, Year 11 and **Bronwen Davidson**, Year 12.

Jane Polson fills the role of SRC Coordinator for 2016.

I thank all of the above for their commitment and leadership of our school community.

## **Community**

**Wayne Todhunter**, a former staff member at St Clare's passed away during the holidays. We acknowledged Wayne's contribution to our school community during our prayer time on Wednesday morning. I ask that you keep Wayne's parents Gill and Brian and his children Lee, Hugh and Owen and their families in your prayers.

## **Buildings, Grounds and Facilities**

The staff work room, staff lounge and four Science Labs have had air conditioning installed. The air conditioner in Room 21 has been replaced. Extensive maintenance has been completed on the roof ridge capping which should ensure that the roof remains watertight. Room 32 has been recarpeted.

The Art Room has had new windows installed which can be opened to catch a breeze. This will create a cooler environment for our young artists to learn and our teachers to teach.

The annual audit of the trees in the school grounds was completed during the Christmas break. Generally the trees were found to be in good health. However a number will need some remedial attention over the year.

The Pastoral Review and Uniform Review Groups will continue their work.

God Bless

**Principal**

## FROM THE SENIOR SCHOOL:

### Stage 6 - First Day - 2016

Welcome back everyone - I hope that you have all had a great break.

We also welcome your Pastoral Care teachers for 2016:

11.1	<b>Mrs Maureen Busby</b>	D2
11.2	<b>Mrs Catherine Eady</b>	D1
11.3	<b>Mr Damien Bellanto and Mrs Roxanne Dunn</b>	D5
11.4	<b>Mr David Hutchison</b>	D6
11.5	<b>Mr Simon Little</b>	D7

Support Team Members are **Mrs Theresa Avery, Miss Karina Hogan, Mrs Denise Ryan and Mrs Lyndall Laurie.**

Year 11 – today is your first day in Stage 6 of your school education. You have a reputation within the school as being a great group of whom our community (teachers, parents, parishes, Taree district) has great pride and also great expectations.

There is huge potential for personal growth in mental, social, cultural, and spiritual areas. The Preliminary/HSC course is a balance between study, family, social, cultural, physical, spiritual life – this balance will be stressed throughout your Stage 6 studies.

All senior students, themselves, are expected to offer their gifts as leaders to assist their peers and younger students. Within this role, some students have been elected to formal leadership positions.

For Year 12, these students are:

School Captains	<b>Isabella Blenkin and Thomas Dormor</b>
Vice Captains	<b>Casey Griffiths and Declan Moylan</b>
Plus the Senior Leadership Team	

For Year 11, congratulations to our House Leaders who are:

**William Avery, Ruby Jones, Tim Keen, Hannah Lewis, Willow Mackay, Renee Pettet, Sarah Ward and Eliza Williamson.** These students will be meeting today to determine which House they will represent.

This leadership is NOT restricted to those elected – it is the responsibility of ALL senior students to show juniors how to act responsibly as a student both within the school community and in the wider community.

In terms of your senior study, your life is run by three books – the BOS ACE Manual, the school assessment handbook and the school student handbook. Your PC teachers will be referring to these regularly.

School References - What will yours say when you read it at Grad in November in 2017? Your school reference will be prepared by your PC Teacher then amended by me, as your Year Coordinator, and the Principal, Mr Nicholls. It will also include information from your CV/Resume - it is important to start NOW - I will be emailing all Year 11 with a pro forma of what might be included.

Resumes will be used for:

- Year 12 for scholarships, jobs, places in colleges, final references
- Year 11 for scholarships, jobs, School Captains elections – criteria to be reviewed

Just think - in which aspects of school life were you involved last year? What boxes did you tick on the Student Involvement sheets used by PC teachers in preparing your school reports?

In what aspects of school life will you be involved this year?

- Year 11 Retreat
- Blood Bank - (forms)
- Clean-Up Australia Day
- Red Shield Appeal and Sleep Out
- SCAPE
- Debating and Public Speaking
- Eisteddfod
- Sport in general

**Failing to plan = planning to fail**

18<sup>th</sup> Birthday Parties - beware and be careful - and for parties in general

Bookmark/Favourite websites: UAC/VTAC/QTAC, BOS, HSC Online

All students pay an IT levy - please use it!

Our role as Senior Student Coordinator is:

- To ensure students are physically and emotionally safe
- To support Mr Gibney/Mrs Avery in ensuring students abide by BOS/School educational requirements
- To support the right of each student to learn
- To support the right of each staff member to work be they teaching, administration or support staff
- To support teachers as they apply the school rules – i.e. DO NOT complain to us unless there is/are exceptional circumstances when a teacher is enforcing the rules which have been developed/published to promote a safe/respectful and happy environment
- To mediate between students/staff/parents/community

- To support Mr Evans in his Careers work – especially to mediate with staff regarding release of students from classes to enable appropriate Careers education to occur
- To assume innocence/misunderstanding rather than automatic guilt
- NOT to allow gossip or unsupported accusations to occur in public/classroom

Finally, your Stage 6 education is like a marathon with 70 000 competitors, and the sooner you start to run (rather than dawdle) the better will be your position in the race. For most of you, that is a goal with a very high priority.

Timetable for Monday is as follows:

**PDHPE UNIFORM FOR TERM 1 2016:** The students in Years 7 - 10 who have a PDHPE practical lesson or PASS Practical lesson on a **Monday** or **Tuesday** will be permitted to wear their sports uniform all day. If the student wears their sports uniform to school then they are required to wear leather sports shoes or bring leather school shoes for other Practical subjects such as Science & TAS due to Work Health & Safety regulations. Students do not have to wear their sports uniform for practical lessons they can bring practical clothes, shoes and hat/cap to change in to.

The students will also be required to wear a sun safety hat/cap preferably a school cap in all PDHPE practical lessons and sport. We are in the process of deciding on a style for a school bucket hat; however this will not be introduced this term.

If your son or daughter does not remember his/her sports uniform or practical clothes, hat/cap, shoes(1st offense) then they will be recorded on the PDHPE teacher's roll and the student will be required to sit by themselves in the shade to complete a worksheet during the lesson. If they forget their equipment a second time during the term this will be a Low zone where they will be required to clean up the playground at the designated time by the teacher. If the student does not bring their equipment a third time during the term they will be placed on a medium zone where they will be required to complete three lunchtime detentions and you will be notified via a letter.

If your son or daughter is unable to participate in a PDHPE practical lesson we would appreciate it if you could contact the school by phoning or writing a letter to the classroom teacher advising them of the situation.

The students will be given a copy of the PDHPE policy for Term 1 to glue into their workbook. This policy will be phased in over the next two weeks of Term 1. At the beginning of Week 4 the above action will be implemented. If you have any concerns or would like to discuss this policy further please feel free to contact **Karina Hogan**, PDHPE Coordinator or **Peter Nicolls**, Principal. **Karina Hogan, PDHPE Coordinator**

**COMBINED CATHOLIC COLLEGES (CCC) SPORT SELECTION PROCESS:** Any student who wishes to trial for CCC selection must follow a specific registration process. CCC trials are for students who excel in their chosen sport and who wish to trial for a position to represent the Combined Catholic Colleges. Students should inform the Rep Sport Coordinator of their interest in trialling and students must be approved by the school to attend these selections.

The following sports require individual online registration which takes you straight to NSWCCC selections: **AFL, Baseball, Basketball, Cricket, Diving, Golf, Hockey, Netball, Rugby League, Rugby, Softball, Tennis, Triathlon, Volleyball and Water Polo.**

Selections for these sports occur at different times throughout the year and these details are outlined on the following website <https://www.csss.nsw.edu.au>.

To be eligible to trial for CCC selection in **Athletics, Cross Country, Swimming, Football and Touch** the process begins from being selected in the school representative team, then trialling for the diocesan team before proceeding to CCC selections if successful.

Any queries about the process should be directed to Miss Rowsell or you can access the website listed above for more specific information. **Jenna Rowsell, Rep Sport Coordinator**

**LEAVE NOTES & STUDENT MESSAGES:** It would be appreciated if parents/guardians would send in a **written note** if their child needs to leave early for appointments etc. Notes should be handed in at the front office in the **morning before roll call**. If parents/guardians need to notify their child of a change of afternoon arrangements, it is necessary to **phone the school prior to 2:25 pm** (End of Lunch – Monday, Tuesday, Wednesday & Friday) or **prior to 1:55 pm** (End of Lunch – **Thursday Sport**) as it is often difficult to locate students if their last lesson is a PE Prac or there has been a room change.

Students cannot be collected from the school during school hours by **anyone other than a parent or guardian without written permission**. Thank you.

**LATE NOTES:** Lateness to school is recorded as a partial absence and must be explained to the school the same way as other forms of absence. **Arriving Late for school requires a handwritten note from a parent/carer or a phone call from a parent/carer** or the absence is recorded as an unexplained partial absence. Thank you.

**SCHOOL CLINIC:** Students are reminded that if they are unwell whilst at school they are to advise their teacher who will then send them to the Front Office. If necessary, the office staff will contact a parent while the student waits in the Clinic. **Students are not to contact parents on their mobile phones** as this leaves teachers and office staff unaware of the situation and is also in breach of the school policy – use of mobile phones. Thank you.

**SACRAMENTS:** An Information Night will be held on Wednesday, 24 February, at 7 pm at Our Lady of the Rosary Church (in the resource centre-next to the church) for all those students who would like to receive the sacrament of Baptism, Reconciliation, Holy Communion and Confirmation. **Loesje Doherty, Taree & Wingham Catholic Parish Office**
