

JobJump Careers News Subject Bulletin

2 July 2020

**IMPORTANT MESSAGE TO HEAD TEACHERS and ALL STAFF
and to Parents,**

It may only take one piece of news to lead a student towards success in their life's career.

If you know students enjoy your subject, this is a great way to assist them, so please encourage them to take part in those events mentioned below in your Subject Area. Find below a listing of special careers news that have also been emailed out to many of our students and their parents.

SPECIAL MESSAGE REGARDING EVENTS LISTED AND COVID-19

Events listed are presented as reported from the home website at the time of collection from the news source. We strongly advise you check directly with the event organisers regarding the delivery of the event due to current restrictions.

MATHS and SCIENCE

Senior Science, Biology, Chemistry, Earth and Environmental Science, Physics

University of Sydney - Portfolio Submission Pathway for Architecture and Design

Passionate about architecture or design, and have a great portfolio?

If you didn't quite get the required ATAR, you can apply for entry into one of our undergraduate degrees with a portfolio that shows your design skills and creativity.

What is the portfolio admissions pathway?

The portfolio submission is a potential way for you to gain entry into our programs if you achieved close to the required ATAR (or equivalent). In conjunction with the HSC and other formal assessment systems, it assists the University to identify students with the potential to excel in architecture or design computing.

If you are expecting to receive an ATAR of up to five points lower than or roughly around the ATAR for your preferred course, we encourage you to apply by submitting a portfolio.

<https://sydney.edu.au/architecture/study-architecture-design-planning/portfolio-pathways.html>

The University of Sydney - Propel Program

Offering more than 20 high school events to help students explore the many options within engineering, computer science and project management and discover where their passion lies. Participants of any four of Propel events are eligible for a \$2000 travel scholarship. For more information, see:

UNSW Rural Student Medical Entry Scheme – Important Dates

The Rural Entry Scheme (RES) is an initiative to promote Medicine to applicants with an extensive rural background who are able to demonstrate and meet rurality and other assessed factors. Applicants who enter the UNSW Medicine program through the RES, study the same program as students who apply and enter through the main UNSW Medicine 'local entry' application process.

Applicants must choose to apply through the Rural Entry Scheme (RES) or through the main Local Entry application process, you cannot apply for both.

1 – 31 July 2020 [UCAT ANZ testing dates](#)

5 September 2020 [UNSW Open Day](#) Kensington campus

30 September 2020 Last day to lodge on-time application with [UAC](#)

30 September 2020	Last day to submit UNSW application through the Medicine Application Portal (MAP)
Oct - Dec 2020	Interviews for rural applicants will be held at the Albury-Wodonga, Coffs Harbour, Port Macquarie, Wagga Wagga and Sydney (Kensington) campuses.
15 December 2020	ATAR results released on Universities Admissions Centre (UAC) website
8 January 2021	January Round 1 offers released via Universities Admissions Centre (UAC)
21 January 2021	January Round 2 offers released via Universities Admissions Centre (UAC)
15 February 2021	Commencement of Year 1

Your Free Guide to a Career in Occupational Therapy

According to paediatric occupational therapist Nicole Grant, this profession is for those who are passionate and compassionate, creative and resourceful, who like thinking outside of the box and being able to take a holistic approach to health care.

Occupational therapists often play an advocacy role for their clients. Stephanie Cantrill, who is an occupational therapist and polio community officer talks about the needs of those who survived polio in their childhood as they age. Professor Sylvia Rodger (who sadly passed away in April 2017) covers how occupational therapists advocate for their clients here:

Business: tafensw.edu.au/womeninbusiness *Eligibility criteria apply

Identify courses that build enterprise skills

As technology and automation sweep through our workplaces, enterprise skills are the skills which current and future workers need to thrive in their future careers.

Instead of focussing solely on building up the technical skills needed to do a job, young people need to be equipped with skills that can be used across multiple roles and occupations. These skills are increasingly important in a world of work where an average 15 year-old is expected to navigate 17 jobs across 5 different careers.

VET COURSES

Fee-free Apprenticeships

There's never been a better time to start an apprenticeship in NSW. The NSW Government is paying the course cost for 100,000 new apprenticeships – meaning students no longer face a qualification fee of up to \$2000.

Apprenticeships are a great career pathway. They combine on-the-job training with classroom study to give you the skills and experience employers are looking for. Apprenticeships generally take around 3-4 years to complete, and apprentices earn a salary while they learn.

There are more than 120 different apprenticeship courses available in NSW, in a range of industries including construction, cooking, aviation and automotive.

OTHER FIELDS

Cabin Crew One Day Experience

24 September

The One-Day Cabin Crew Experience course is for people who have been dreaming of a career in the skies and are yet to decide if it's the right path for them. You will have a taster of what it's really like to be a flight attendant and, by the end of the day, you will understand what you need to do to earn your wings and see your career take off.

A cabin crew career can be exciting and satisfying. There are opportunities to travel and you will have a different view from your "office" window every day. It's also demanding and challenging, with early starts and overnight shifts. Becoming a flight attendant is a popular career choice – hundreds, if not thousands, of candidates compete for available roles. Attending a Cabin Crew Experience like this will help you learn how to stand out from the crowd.

What will you do?

Your day will involve a range of typical activities undertaken by cabin crew on the job or while they are in Ground School. You will also practice tasks required in the recruitment journey.

Topics include:

- A Day in the Life of Cabin Crew
- Cabin Crew Professional Image: learn how to get the flight attendant look!
- Recruitment Journey: applications, video interviews, assessment days, team building.
- Emergency evacuation procedures: see safety demonstrations, visit the training facilities and experience an evacuation slide.

A light lunch is provided.

Cost: \$80

<https://www.aviationaustralia.aero/one-day-cabin-crew-experience/>
